II. Books

The library has a large collection of books that are available for checkout. New books are added to the collection in all genres every month.

eBooks and Audiobooks are available through Cloud Library. There is an APP you need to download. It requires a library card and pin number to register your account. When it asks for the name of the library please select Harrington Library Consortium.

III. Internet

Amarillo Tech Tel is our internet provider. Internet is available 24/7 . The library does not have to be open. Please connect to the 5 Ghz Memphis Public Library. {Do not connect to account that includes the word GUEST} The signal is strong. You can sit in the comfort of your vehicle out under the trees in the cool shade. A password is required. It is posted on the left side of the entrance. Once you connect, your device should remember and when you visit the library it will connect to the Internet automatically.

IV; Databases

TexShare is a consortium of Texas libraries joining together to share print and electronic materials, purchase online resources, and combine staff expertise. Authoritative, ad-free, and available 24/7. The TexShare Databases are electronic resources licensed for the exclusive use of Texas libraries and their patrons.

There is an A-Z list of the databases available on Memphis Public Library website..
